Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

Applicants hereby petition to correct the inventorship of the above-captioned application under 37 CFR 1.48 (b), (c).

Inventors named at the time of filing of the present invention are Cary L. Queen, Man Sung Co, William P. Schneider, Nicholas F. Landolfi, Kathleen L. Coelingh, and Harold E. Selick. During the course of prosecution of the present application, William P. Schneider, Nicholas F. Landolfi, Kathleen L. Coelingh, and Harold E. Selick were deleted as inventors as a result of cancellation of claims by amendment in the application, leaving as inventors Cary L. Queen and Man Sung Co. Applicants now wish to delete Man Sung Co and reinstate Harold E. Selick as a named inventor. This correction of inventorship is necessitated by further cancellation of claims and addition of new claims, which resulted in Man Sung Co no longer being inventor and Harold E. Selick being inventor again of the invention being claimed.
